

Multi-Club Sponsored Honduras WASH Project Opportunity

WASH = Water + Sanitation + Hygiene

Village Before

After Rotary, Changing Lives

- **September Vision Trip** to Western Honduras led by PDG Jim Nelson with representatives from City of Lakes, Edina Morningside, Minnetonka, Scaramento, CA, Santa Rosa de Copan, and Kim Lorenz Bellevue, WA Rotarian and World Vision Rotary Liason. Community support is overwhelming; will dig trenches and lay pipeline.
- **Partnering with World Vision** leader in non-religious transformational development that is community based and sustainable. **Rotary club funds will be leveraged 5:1** through Rotary and World Vision matches. WV is contributing \$400,000 of \$800,000 budget.
- **Proof it works: In 2014, a similar project** at the same dollar amount, was led by the Rotary Club of St. Louis Park. Through that project, 14,229 individuals gained access to a lasting source of clean water.
- It will be **sustainable**: Training of 22 WASH teams to manage, operate & maintain water systems & protect & manage watersheds. Community pays for services. World Vision has 28 Honduras offices led by Hondurans.
- **Safe Water Access Goals**
 - Build 15 gravity-fed residential water systems & 1 electric water system.
 - Build water storage tanks in 24 schools.
 - Develop a safe water supply in 2 health facilities.
 - Educate 979 families on technologies to treat water @ home & handle it safely.
- **Sanitation Access Goals**
 - Build/improve sanitation blocks in 24 schools.
 - Build 2 sanitation sewer systems
 - Construct sanitation & hand washing facilities @ 11 health care facilities.
 - Train 979 families on the benefits of basic sanitation and the importance of solid waste management.
- **Hygiene Promotion Goals**
 - Train 979 families and 24 schools in healthy hygiene practices, establish school sanitation committees.

Your club can make a difference! Learn about how you can help & future travel opportunities.
